GRAND RAPIDS - The Hinman Company affiliate, GR Glen LLC, recently purchased the prestigious Glenwood Hills Corporate Centre at 3196 Kraft Avenue SE, in Cascade Township.

“Acquiring the Glenwood Office Centre helps meet the growing demands of our existing tenants and prospective tenants looking for Class A office space in Southeast Grand Rapids. We feel fortunate to secure this prime piece of property in such an ideal location,” said Kirt Ojala, property manager for the Hinman Company’s Grand Rapids office.

The 80,000 square foot Glenwood Hills Office Centre offers I-96 visibility, an underground parking facility, extra storage suites, and plenty of windows. Upon completion of the new exit ramp from I-96 to the Gerald R. Ford International Airport, Glenwood Hills will be just minutes from the main terminal.
